

My name is Christopher Mambo and am doing my Grade Ten at parklands High school. I am double orphan, My father died when I was young, We are seven (7) in our family, three (3) girls and four (4) boys. None of my sisters and brothers reach the secondary level of Education due to financial problems, I live with my elder brother, who does not work and is not able to look after my school.

I started school with the support of my uncle who also died when I was in grade five (5). Since then I struggled with my Education and faced many challenges. I stayed in the compound for about four years without going to school. Seeing my friends going to school made me to think that I was nobody because I tried to look for help from my relatives and nobody was able to help, from the time I heard of Messiah Ministries, I ~~went~~ went and explained my problems to pastor and Mrs Gutingu and I was given help.

By your help CONIESA, through Messiah Ministries I started my Grade five (5) at Messiah Community school on 12th February, 2006. I thank you CONIESA for your donations and for building (class block) you built for us at Messiah Community School. When I reached Grade nine (9), the Director paid for my Examination, and I wrote the exams and I qualified to go to Grade Ten (10).

~~As~~ As for now I don't ^{want} appreciate for your donation and saying thank you for what you are doing for us and may the spirit of the living God Comfort you and your families. Wishing you blessings and to continue with the same spirit.

Yours

Faithfuly
