1. *What type of grants will Contesa consider giving grants to?*

Contesa supports grassroots charities and not large NGOs with six figure income. We particularly support charities where original founders have donated their own funds to start the charity and those that provide community benefits to many vulnerable children (up to age 18).

Some of the projects Contesa has supported are below:

- Training for menstrual hygiene.**
- Menstrual hygiene packs for many young people.**
- Food and nutrition packs for many children.**
- Payment of uniform and school fees for many children.**
- Provision of school books and pens for several children.**
- Desks for classrooms and teaching aids.**
- Feeding programmes for children and youth.**
- HIV awareness programmes for children and youth.**
- Medical and nutritional kits for children.**
- Payment of grocery and utility bills for orphaned vulnerable child-headed households.**
- Food production classroom activities.**
- Purchase of raw materials to produce walking aids for disabled children.**
- Children welfare and safeguarding programmes.**
- Purchase of face masks for Covid 19 (in exceptional circumstances).**

2. *What projects does Contesa NOT support?*

Contesa will not support capital projects, for example building and construction, repair of buildings or equipment or purchase of land.

Contesa does not provide permanent grants. If you are successful in receiving grants in one year, you will still need to re-apply each year.

Contesa will not support income generation projects or commercial activities, for example poultry business, purchase of sewing machines or bicycles.

Contesa will not sponsor educational or welfare programmes for one child or vulnerable youth, for example school fees for one individual, welfare and feeding for just one child. We support community-based programmes that benefit many children.

Contesa will not sponsor operational or admin costs like purchase of computers, paying of registration fees or office stationery and payment of salaries.

Contesa will not support one single family or one single household.

Contesa does not sponsor adult programmes.
